(4) Client recognizes that there is no assurance as to the ability of Advisor to accomplish personal investment objectives or that specific securities selected will achieve investment objectives. Furthermore, there can be no assurance of the accuracy or timeliness of Advisor's buy and sell signals, and that any market losses resulting from specific securities selection, or timing of such buy and sell signals are normal market risks and the risk of the Client. Client further acknowledges that past performance of Advisor should not be construed as an indication of future results, which may prove to be better or worse than the past. Advisor makes no promises, representations or warranties that any of Advisor's services will result in a profit to Client. Advisor may rely on information furnished to it which is reasonably believed to be accurate and reliable, and Advisor shall not be held accountable nor liable for any loss suffered by Client.

(5) Client shall pay advisor for its managed account services a monthly fee based upon the gross value of the managed assets of Client without regard to liabilities, in accordance with the schedule set forth below. Each of the Client's Accounts managed by Advisor shall be covered by a separate Agreement. However, the sum of Client's managed accounts may be used to determine qualification for discounted fees.

Fees will be charged as follows:

The Fee will be at the percentages shown in the following section applied to the closing daily balance of managed assets for the period preceding the date of billing. Payments will be deducted from Client's Account, unless acceptable billing arrangements are made, at which time pay-ments are required within 15 days of monthly billing by Advisor.
